Fashion designer and philanthropist Donna Karan has given lifestyle brand Urban Zen ([urbanzen.com](http://urbanzen.com)) a new home in Sag Harbor with the addition of a special tenant. The space on Main Street, formerly Muse, combines global style and food with the latest location of daughter Gabby Karan de Felice's Tutto il Giorno. Offering the ultimate oasis to shop, grab a bite or even sip a quick mimosa, the warmth and synergy of the partnership has already proven itself in the first months of the season.

## Self-Care Saturday

Guests started their weekend with a clear mind and revived energy after a morning spent with Unplug Meditation at Urban Zen on June 23. Teacher and healer **Suzy Schieffelin** began with a journey into sound meditation, before leadership coach **Erin Claire Jones** led a group conversation about human design tools. Following the program, shoppers browsed the latest collections around **Donna Karan's** newest Sag Harbor location and enjoyed healthy bites from *Tutto il Giorno*.
